

Newsletter December 2017:

Annual review 2017 and prospect for 2018 – Facts and Figures

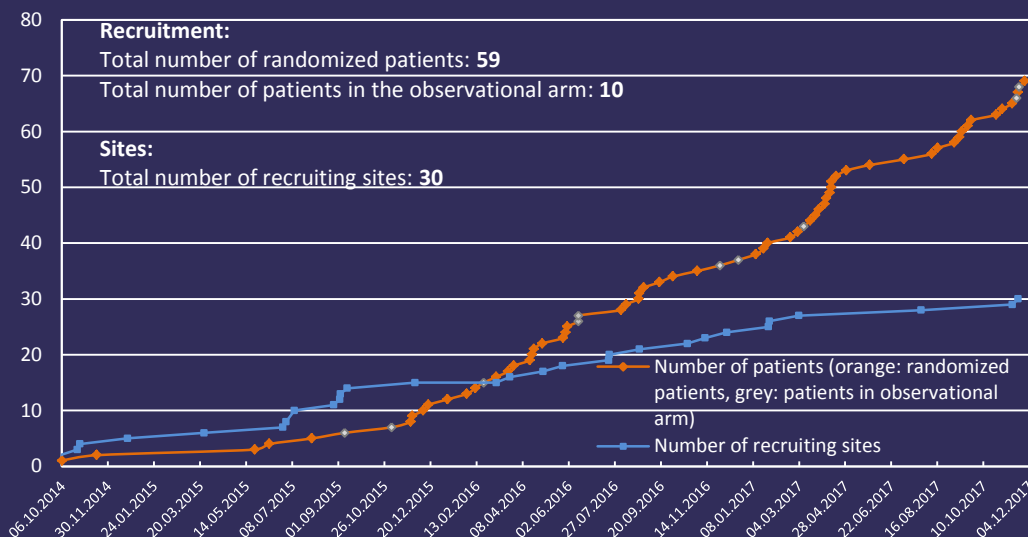

➤ In 2017...

- ... **One** new country joined the SWITCH consortium: Spain
- ... The number of randomized patients almost **doubled**, from 30 to **58** patients
- ... **7** more sites were opened for recruitment, **30** sites are now open for recruitment

➤ In 2018...

- ... The **first** Interimanalysis will be conducted (after **100** patients)
- ... **Two** new countries will join the SWITCH consortium: France and United Kingdom
- ... Due to the highly motivated trial teams of the consortium we will **further increase** the recruitment rate

SWITCH- Recruitment and new sites; 06 December 2017

**We wish you all a peaceful and quiet Advent season, Merry
Christmas and a happy new year.**

**Thank you very much for your strong efforts and for the excellent
collaboration.**
